1. Open your browser to unknowncyber.com and then select “Register” from the top menu.

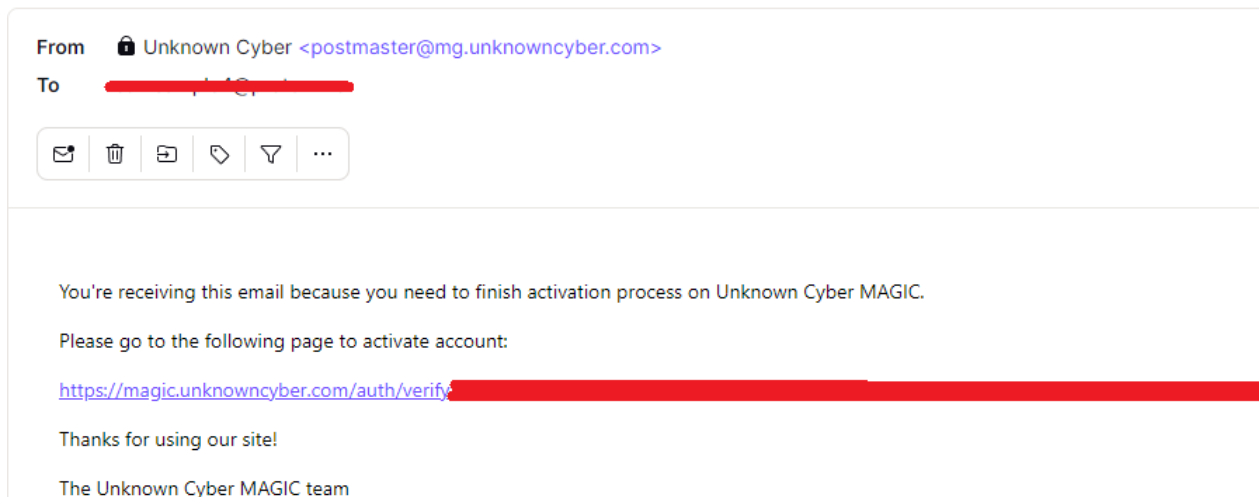

2. Fill out the membership form and click Sign Up.

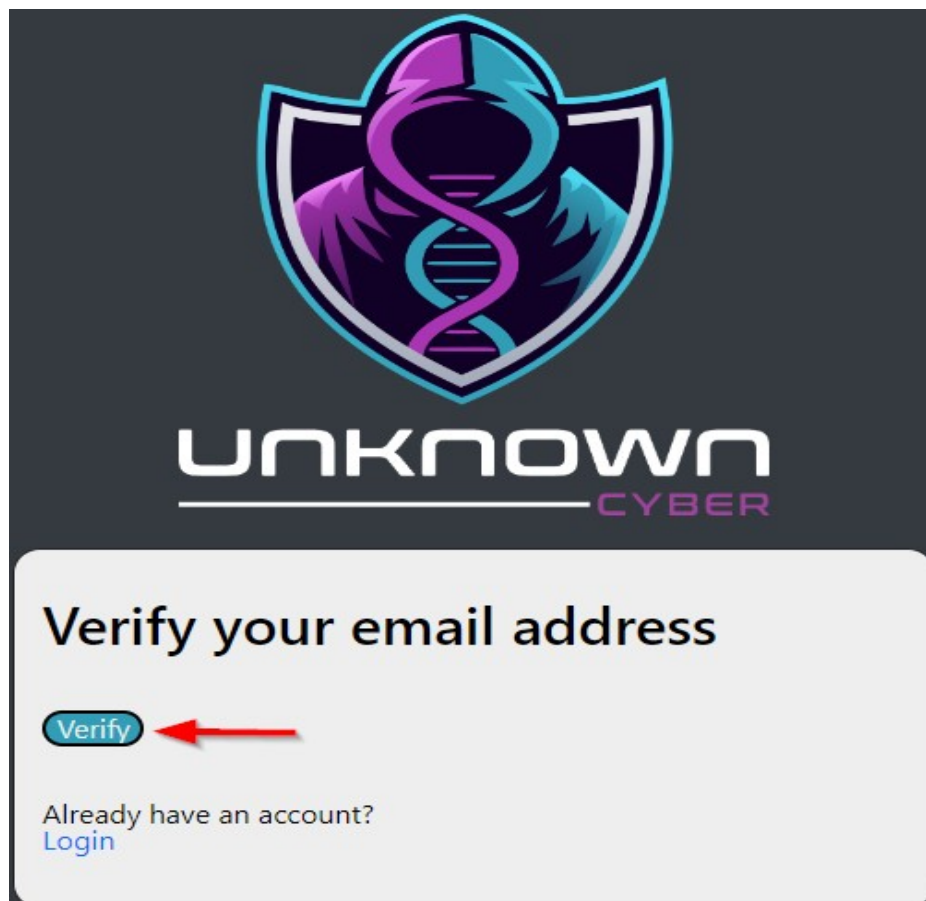

A screenshot of the 'Sign Up' form on the unknowncyber.com website. The form is set against a dark blue background with the 'UNKNOWN CYBER' logo at the top. The form itself is a light gray rounded rectangle. It contains the following elements: a title 'Sign Up', an 'E-mail:' label followed by a text input field containing 'E-mail address', a 'Password:' label followed by a text input field containing 'Password', a 'Password (again):' label followed by a text input field containing 'Password', a blue 'Sign Up' button, and a link 'Already have an account? Login'.

3. You will receive an email similar to the one below. Follow the link to complete your activation.

7. Click your user icon in the upper right corner, then click Settings.

8. Click “Exchange Settings → Connect Exchange”

9. Populate the “Tenant ID”, “Client ID”, “Client Secret”, and (optional/recommended) “Sentinel Workspace ID” from your vault or saved document from the user setup guide to the fields indicated below and then click “Subscribe”.

The image shows a dark-themed modal window titled "Create UC Mailer Subscription" with a close button (X) in the top right corner. The form contains four input fields, each with a label to its left: "Tenant ID:", "Client ID:", "Client Secret:", and "Sentinel Workspace ID:". Each label is followed by a dark, rounded rectangular input field. At the bottom right of the modal, there is a blue button with the text "Subscribe".
